Church Re-opening Directives for Parishioners (October 1, 2022)

It is our responsibility to offer a safe environment for all parishioners who participate in the mass. To prepare for the church's re-opening, a *Church Re-opening Directives* was developed as a guideline. We ask for parishioners' full cooperation and follow the directives accordingly.

Parishioners' responsibilities:

If the faithful have any discomfort or have been in contact with a person diagnosed with COVID-19, please DO NOT enter the church building and seek medical advice.

Parish Safety Guidelines

BEFORE MASS

Indoor masking requirements end in church, parish halls and offices according to the Toronto Archdiocese. For the sake of everybody's health, the parish encourages all the faithful to continue wearing masks within the congregation.

The use of hand sanitizer upon entry to the church is encouraged.

DURING MASS

- At the Sign of Peace, parishioners can bow or nod to those around them.
- Holy Communion:
 - **Receive Holy Communion on Hands**
 - The priest or Eucharist minister is standing at the position engraved with a cross on the ground to distribute the Eucharist. When they hold the Eucharist and say "The Body of Christ", parishioners stand on the spot marked **yellow 1**, (keep a distance of 6 feet / 2 meters) and answer "Amen".
 - Parishioners step forward, stand on the spot marked **yellow 2** to receive the Eucharist.
 - Parishioners then go to the designated spot marked **yellow 3**. Facing the altar, parishioners should lift the mask, consume the Eucharist, and put the mask back.
 - **Non-Catholic and Parishioners who are not ready to receive the Holy Communion** can remain sitting at their own seat
 - **Receive Holy Communion on Tongue**
 - To ensure everyone's safety, the faithful who receive the Eucharist on the tongue will be arranged to sit in Section D so they will receive the Eucharist last. The ushers will guide the parishioners to receive the Eucharist.
