

VOLUNTEERING

The “day to day” library activities, during its opening hours, and all other ministerial tasks, such as cataloguing of library items, membership enrolment, checking out and shelving of library items, inventory maintenance, bookkeeping and cashier functions, etc. are supported by volunteers from the parish on a rotation basis.

We are constantly in need of parishioners interested to join our team of dedicated volunteers to serve the Church community.

If you are interested to join our team, or need volunteering hours, please contact the Church Parish Office for the application forms and procedures, OR, if you would like more information, please speak to Sister Alberta Zhan.

DONATIONS

If you are interested in donating religious books and items that are in good reusable condition, please contact the Sister in charge of the library directly prior to drop off.
